01

PROFESSIONAL PROFILE

I am a passionate graphic designer, video editor, and budding UI/UX designer with 5000+ creative ADs and over 8 years of hands-on experience in the creative industry. My journey began at Maac School, where I completed a comprehensive graphic design course that laid the foundation for my design skills.

I have continued to expand my knowledge by self-studying UI/UX design through LinkedIn learning, complementing my graphic design expertise.

Throughout my career, I have worked on a variety of projects that have honed my abilities and fueled my passion for design. I am excited to bring my creativity and experience to new challenges and collaborations.

02
